

## GLAC Track / Field Awards & Points Information

---

It is the aim of Little Athletics that children should compete for their own enjoyment and self-improvement, as well as a sense of belonging and team involvement that can be fostered by the Club system.

A dual points system will be used to determine award winners for the Track and Field Season.

### 1. BEST ATHLETE AGE GROUP AWARD/AGE GROUP CHAMPIONS/ATHLETES OF THE YEAR

The GLAC BEST ATHLETE AGE GROUP AWARD will be made for each Age group (except U6 & U7), both boy and girl, for performances in track and field events.

- These awards will be based on each athlete's best three (3) performances in each event.
- Trophies will be awarded to 1st, 2nd and 3rd in each Age Group
- Points will be calculated using the Timing Solutions Performance Based Linear/Straight Line (PBLSL) point scoring method.
- A maximum and minimum result for each Age Group/Gender/Event was determined.
- The maximum points possible for each performance is 100, the minimum is 0.
- 2015 LAVic Victorian Best Performances (State Records) have been set as maxima for each U9 – U16 event.
- The minimum for each event was determined from a study of Centre results for the past two years and will ensure that every performance will achieve a positive score.

### 2. PERSONAL BEST AGE GROUP AWARDS

The GLAC PERSONAL BEST AWARD will be made for each Age group (except U6 & U7), both boy and girl. This award is made to enhance the aims and objectives of the participation and personal involvement.

- These awards will be based on points scored from all performances in track and field events.
- Trophies will be awarded to 1st, 2nd and 3rd in each Age Group.
- Five (5) points will be awarded for each Personal best achieved and,
- One point will be given for attempting an event.

Club awards are presented to the Top Club and the Most Improved Club for team performances over the Track and Field season. These are based on best performance and attendance totals divided by the number of registered athletics at the club.

Individual trophies are awarded for outstanding performances in individual disciplines - Junior and Senior Little Athletes, the best record, and for participation and sportsmanship. A trophy sub-Committee has been formed from members of the Centre Committee to determine the award recipients.

# GLAC Track & Field Awards
